Summer Learning Web

ART

In Art this term the children will be working with a range of materials to create the following:
Canopic Jars, Pyramids, Hieroglyphics and making Egyptian Jewellery.

In DT, the children will be making bread.

COMPUTING

In Computing this half term, the children will continue to look at weather with an aim of creating their own weather report. This also links to their French learning.

PSHE/RE

In PSHE this half term the children will explore the theme of 'changing me'. They will be looking at how everyone is different and special, how change happens during puberty and to respect these changes.

In RE this half term the children will be looking at what Hindu stories teach us. We will then move onto how different religions worship.

FRENCH

The children will have a 30 minute session per week. We will be learning about the months of the year, seasons and weather.

SCIENCE

In Science this half term the children will be learning about living things and their habitats.

ENGLISH

In English this term the children will be focusing on the following:

- Writing a playscript based on ancient Egypt using the Egyptian Cinderella.
- Native American Poetry
- Stories based on real-life dilemmas.

MATHS

In Maths this term the children will be focusing on the following:

- Decimals
- Position/Co-ordinates
- Money
- Time
- Statistics
- Recap multiplication and division facts.

MUSIC

In Music this term we will be exploring signals and descriptive sounds.

P.E.

In PE this term the children will hopefully have 2 outdoor sessions per week. We will be focussing on athletics, rounders, tennis and cricket. Please ensure your child has warm outdoor PE kit as it remains cold. Thank you.

HIST/GEO

In History we will be studying Ancient Egypt. We will be looking at where Egypt is, and what the climate is like there.

In Geography we will be examining 4 and 6 figure gird references to recognise a range of map symbols, specifically in North America.
