

# School council meeting 20<sup>th</sup>

## September 2016

We have had a very busy meeting and talked about lots of important things. The main things we talked about were...

- The friendship bench
- People running in the quiet zone
- Flushing toilets
- Changing rooms for boys and girls
- The tidiness of the Library
- The playground rota
- Lunchtime clubs

We have thought of some great ideas for solving some of the problems we talked about and we will share these ideas with you in assembly soon!
