

Parents Forum Meeting Thursday 25th June

1. Issues arising from previous meeting

Lunchtime Supervisors – the issue of dinner ladies not spreading out on the field at lunchtime was discussed again. Mr Crumpler said he would talk to them again and we discussed the possibility of having more meetings and/or designating areas for Supervisors to watch.

Parent's Forum – new members have now joined the Forum and there are a few people keen to join the Friends.

Office Tray – a parent suggested it would be a good idea to put a tray by the office for putting slips in (e.g. school dinners, outing consent forms etc.) so they don't have to queue. This is in the process of being done.

Book donation – it will be asked in the next newsletter if parents have any books to donate to the school.

2. Ofsted inspection

Mr Crumpler said everyone was happy with the results of the last inspection and asked if there were any questions or comments arising from the report.

All attendees were happy with the outcome and with the report. If any other parents need clarification on anything, please see Mr Crumpler.

3. Sports Day Format

The school was wondering whether to change anything about how Sports Day was run. Parents were happy with the format as it was but one suggestion was to do certificates for all winners of races. It was also suggested that the teams (red, green, blue and yellow) for sports day could be used for other activities (both sport and non-sport) throughout the year. Individual tallies/ Head Teachers awards etc. could be recorded for each team and added up at the end of the year.

Asda will kindly be providing refreshments this year.

4. Parental questions/ concerns

Play Equipment – it was brought up that a few accidents had happened recently on the play equipment in the playground and on the field. It was suggested that maybe this needs to be supervised more carefully.

Swimming – it was suggested that for continuity it would be good if each helper had the same children in their group each week so that they can help them progress.

5. Date of next meeting

The next meeting has been set for Thursday 24th September at 2.15pm. Please let your class representative know of anything you would like brought up at this meeting.
