

Recent Sporting News

Mrs Talbot

The recent sporting events we have been involved in have included a year 5/6 swimming gala, a year 3/4 football tournament for our B team, a year 5/6 hockey tournament, a dance festival and an aquathlon. Maddie, Caitlin and Oscar have written reports on the Aquathlon and the year 5/6 swimming gala.

Our football B team played well and learnt a lot from the experience.

The dance festival was an amazing show with a special panel of judges who were all dancers themselves. They talked about their favourite parts of each dance and offered tips! Swimming was a superb team effort with other children filling in for their team mates, supporting and cheering each other on!

Aquathlon

On Thursday the 15th of March Chloe, Caitlin, Madeleine, Ellie, Jake, Owain, Imogen, Finely, Ben M and Zak all went to St Marys, Shaftesbury for a special event called the Aquathlon. At the Aquathlon year 5+6 had to swim 2 lengths (50 metres) and run 1000 metres (13 laps of the net ball court). After the swimming we had to run to a transition area to put our shoes and shorts on. There was 10 minutes between each gender and age group running/swimming. All of the children who took part did amazingly well and supported each other during and after this challenging event. It was great fun and we all enjoyed going. We would love to do it again!

The Year 5 and 6 Swimming Gala

On the 9th of March 2018 at St Marys school, we participated in a year 5 and 6 swimming gala. We competed in around 10 races and we got a few 2nd places, some 3rd places and a lot of 4th places. Well done to everyone who represented our school.
