

In art this term the children will be working with a range of materials to create the following:  
 Canopic Jars, Pyramids, Hieroglyphics and making Egyptian Jewellery.

In computing this term the children will be learning how to produce digital music using ICT equipment.

In PSHE this half term the children will explore the theme of 'Relationships'. They will be looking at knowing how to make friends, how to try and solve friendship problems, helping others to feel included within a group and showing respect to others.  
 In RE this half term the children will be looking at what Hindu stories teach us.

The children will have a 30 minute session per week. We will be learning about the days of the week, months of the year and seasons.

**ART**

**COMPUTING**

**PSHE/RE**

**FRENCH**

In science this term the children will be learning about Electricity, and they will be creating simple circuits both closed and open.

**ENGLISH**

**MATHS**

**MUSIC**

In music this term we will be exploring signals and descriptive sounds.

**P.E.**

In PE this term the children will hopefully have 2 outdoor sessions per week. We will be focussing on athletics, rounders, tennis and cricket. Please ensure your child has warm outdoor PE kit as it remains cold. Thank you.

**HISTORY**

In History we will be studying Ancient Egypt. We will be looking at where Egypt is, and what the climate is like there. We will be studying Egyptian God/Goddesses, mummification and the afterlife, hieroglyphics, archaeological findings and the ruling system.

In English this term the children will be focusing on the following:

- Writing a playscript based on ancient Egypt.
- Create a fact-file about an Egyptian God or Goddess as part of their home learning.
- Book reviews
- Persuasive letter based on 'The Egyptian Cinderella'.

In maths this term the children will be focusing on the following:

- Equivalent Fractions
- Addition and subtraction of fractions with the same denominator
- Fractions of a quantity
- Decimal place value
- Decimal equivalents
- Lines of symmetry
- Compare and classify geometric shapes
