Attendance winners for last week...

1st	Kingfishers	97.7%
2nd	Owls	97%
3rd	Robins	95.5%

Excellent attendance
AGAIN Kingfishers!
Keep it up!

Mr Ed Birkett, our new Deputy Head, will be in school on Friday 25th May for the day. Please do come and say hello if you see him around. I'm sure you will make him feel very welcome.

**SATS ARE
OVER
WELL DONE
YEAR 6**

We want to say how proud we are of all the year sixes for their attitude and conduct during SATs this week. They have been amazing!

Thank you also to all their parents for their support.

Well done to all of you!

Heron class celebrated the end of their tests with a water fight!

Open Afternoon

On Wednesday 6th June we will be having an Open Afternoon for ALL existing parents to come in and see what happens during the school day! The school will be open from 1.15 until 2.30. Please do feel free to just pop in and see your own child's class, or stay longer and visit as many classes as you want to! Please come and leave via the school office so we can sign you in and out.

Minor Building Works

Over half term we are having an additional security and safeguarding measure put in place to ensure the safety of our children. There will be a second door inside the main front door to the school— I'm sure you will have seen this set-up in other local schools. Many schools have had a system like this in place for quite some time and it is considered best practice by the Healthy and Safety Team at Dorset County Council. Hopefully there will be no disruption to parents visiting the School Office when we return after the break, but please bear with us if there is!

What have our children been getting up to?

On Thursday of this week, Kingfisher Class had their 'Gem Jar' treat. They each made a pizza puff topped with vegetables (many in the shape of a face!) and a mini cupcake.

They had a great time!

Kingfisher Class have also been learning all about light, shadow and reflection this half term. On Tuesday they conducted an experiment to see how the size of the shadow changes depending on how far away the object is away from the light source (a torch).

They had great fun and worked well in their small teams.

Heron Class spent some time today in our Forest school making natural mandalas. Aren't they beautiful?

Some Woodpeckers and Kingfishers took part in a tennis tournament on Wednesday. They did a variety of activities in the morning and played matches in the afternoon. They didn't win overall but they had a great day and have learned some new skills!

Lost Property — We have an ever growing collection of lost property by the office! Please do come and look through it to see if any of it belongs to you otherwise it will be taken to a charity bank in half term.

Noodle News

Noodle is doing really well and is still working towards his assessment. He misses everyone at Wyke and can't wait to come back.

Have a great weekend! One more week to go until half term ...

Palmer.
