Brilliant
attendance
Wrens—well
done!

CONGRATULATIONS TO THE **GREEN** TEAM!!! Clear winners again this year with 1767 points. Well done to the Red team who came 2nd with 1505 points, the Yellow team who came 3rd with 1449 points and the Blue team who came 4th with 1334 points.

What a fantastic sports day! Thank you so much to all the families who joined us and an especially big thank you and well done to everyone who joined in with our parent and staff races! The children really love it when their parents take part! It was great that so many of you were able to stay for the picnic afterwards. Thank you to the Friends of Wyke for the ice cream sale—we certainly needed the ice creams to help us cool off! Please see the second page of this newsletter for a gallery of photos from this morning!

Move Up Morning

On Monday the children will be spending the morning with their new class teacher/s and teaching assistant/s. They will start the morning in their current class. There will then be a quick assembly first thing before they then go to their new classroom for the rest of the morning. They will bring home a note on Monday evening telling you who those people are! Later in the week we will send out a staffing list to all families so you can see who is where across the school!

Kingfisher Class have had an amazing time over the last month hatching ducklings in their class. This has been part of their 'Birds' topic. They have found out all about how to hatch ducklings and look after them. Every child had the chance to hold a duckling and we also let them have a little swim in our paddling pool (which they loved!). The children have all been so

brilliant with them and have loved having them in the class.

They are going back to Miss Murphy's friend's farm this weekend and I'm sure they are looking forward to a proper swim in their recently built duck pond!

Thank you to everyone for coming along today—the children all had a great time! Thank you also to those of you who sponsored Noodle and I last weekend for our Muddy Dog Challenge. It was very hot but we had a great day and were pretty muddy by the end of it! I do hope you enjoy this glorious weather over the weekend!

Palmer.
