Herons	16th Nov	4th April

'Forest School' after school club had a lovely session in the autumn sunshine. They whittled sticks then used leaves and shape hole punches to make patterned leaves. They then hung some of their finds up as a natural mobile—beautiful!

Robin Class have been very busy with their Maths this week! Great learning!

I'm very sad to tell you that Mrs Russell is leaving! I know you'll join us in wishing her all the best in her new endeavour! Her last day is Friday 5th October.

Have a lovely weekend.

Palmer

This week Wren and Robin Classes enjoyed a sunny afternoon at Forest School. We started our session

with a short circle time all about what you might find in forests. Then we played a team game which was a lot of fun.

After a good run around in the game we then used string to make body outlines around some of the children. We were given the challenge to use whatever we could find in the forest school area to fill in the bodies to create some art. The children worked in teams to complete their bodies and they looked great when they were finished. We finished our lovely afternoon with a game of 'What's the Time Mr Wolf?'. The children had fun doing the biggest steps (leaps) they could for each

hour. Luckily the 'wolf' (Mrs de Villiers) was too slow to catch any of them for her dinner!
