Attendance

Class attendance winners for last week...

1st Robins	100%
2nd Falcons	99.31%
3rd Herons	98.67%

Great attendance Robins! Well done!

Whole School: 97.45%

Year 3 had a lovely day at Pogles Wood yesterday. They enjoyed spending the day exploring the outdoors and thinking about how life would have been in the Stone Age. The highlight was den building - it was quite a challenge to make one that stayed upright! What a great day it was!

No Pens Wednesday

We had a fantastic day on Wednesday this week, focussing on speaking and listening skills to develop our learning.

In Year 6 the children had to work out ways to represent their answers to problems without writing it down!

Owl Class had a fantastic 'No Pens Wednesday'. In maths, they went to forest school and made different 2D shapes out of natural resources like twigs and leaves. They have been learning about the number of sides and corners that each shape has. Some children made heptagons and octagons! In English, they have been learning about instructions and the importance of the language we use in this type of writing. They used time openers (first, next, then) and bossy verbs (put, get, spread) to instruct their friend to make a

jam sandwich.

They looked delicious!

Surgery for Parents

I will be holding my next regular surgery for parents who wish to come and discuss anything with me on Wednesday 10th October from 1.30pm-4.30pm. If you would like an appointment please do contact the school office who will book you in. I am of course still available at other times.

Morning Whistles

Teachers have requested that I remind parents to please leave the playground on or before the second whistle so they can line their classes up quietly. Allowing teachers to do this means the children have a calmer, quicker start to their learning once they are in the classroom. Thank you for your understanding.

Enjoy the weekend, and enjoy the carnival if you're going along!
