### Attendance

Class attendance winners for last week...

1st Robins	99.31%
2nd Woodpeckers	98.57%
3rd Kingfishers	96.55%

Great attendance Robins! Well done!

Whole School: 96.45%

### Surgery for Parents

Thank you everyone who came to the Parents Surgery this week. If you would like an appointment to talk to me you don't have to wait until a Surgery, you are of course very welcome to contact the school office who will book an appointment to suit.

### Harvest Festival

Please bring any donations for the Gillingham Food Bank to your class teacher or the school office during the week next week. The Food Bank urgently needs coffee (small jars), potato mash, savoury treats (ketchup, brown sauce, etc.), jam, fruit juice, sponge puddings, pasta sauce, fish, meat and tomatoes, although all donations would be gratefully received. Thank you!

### News from Gillingham Library

Gillingham Library have asked us to pass this news on to our families:

Did you know that all Dorset libraries are autism-friendly and staff have received specific training? Gillingham Library also has an autism-friendly room, which can be booked in advance by calling 01747 822180 or used informally if not previously reserved.

Library Services contribute to the health and wellbeing of local communities. They support people to access information and services.

For more information visit:

### PLEASE

**NO PEANUTS  
OR  
NUT PRODUCTS**

Please can I remind all our families that we are a **Nut Free School**. We have several children in school with potentially life threatening allergies to nuts and as such we politely request that no nuts, or nut products are sent into school. As an additional precaution can we also ask that if your children are having nuts or nut products for breakfast could you please try to make sure they wash their hands before coming into school. I know the parents of our nut allergy sufferers really appreciate your co-operation and understanding! Thank you.

Have a lovely weekend, and take care in this stormy weather!
