Happy Halloween News

We took a lovely phone call from a local resident on Thursday this week who wanted us to let us know how polite, well-mannered and respectful the children who visited her house Trick or Treating had been. She said she had had trouble bending down to pick up the sweets and that the children gave her a helping hand. Well done, and thank you for being such great ambassadors for our school!

You should be very proud of yourselves, as are we!

Staffing News - It is with great sadness that I need to let you know that Mrs Stone has decided to take a break from teaching to spend more time with her family. We wish her all the best and although we will miss having her on the staff team, we look forward to continuing to work with her in her role as a parent! Mr Oates will be teaching in Robin class from Monday—the children met him today and are looking forward to him starting next week! I know you will join me in welcoming him to the school. Thank you to Mrs Akers who has been covering the class in the interim.

A final thank you to Mrs Willcox for her amazing contribution to our school. She raised just over £300 for our SEND department. We will let you know what we spend the money on in due course.

Surgery for Parents

I will be holding my next regular surgery for parents who wish to come and discuss anything with me on Friday 23rd November from 8.30am-11.30am. If you would like an appointment please do contact the school office who will book you in. I am of course still available at other times. Equally if you ever want to discuss anything with a class teacher they are often available before or after school for a quick, informal chat. Alternatively either ring or email the school office and they will arrange an appointment with them for you.

Make an Appointment

Have a great weekend. I do hope you enjoy any firework displays or bonfires you may be going to this weekend—stay warm and safe if you are! See you next week.

Palmer.
